

STOP the Heavy **Industrialization** of the Corkscrew Area!

It's Greed...Not Need!

*Save the quality of life,
peace, and safety of
those you care about.*

*Is this what you
want on the streets?*

*10 potential mines
off of Corkscrew...*

We can win this thing!

No more industrialization of the DRGR!

**Come to the Lee County hearing
meetings and be counted.**
